

Dear HHSA members,

At our last board meeting we had some serious discussions about the viability of HHSA shows due to a lack of volunteers. We are quite desperate for managers and secretaries for the 2010 show season. The board is happy to coordinate events for HHSA but the board members are not supposed to be the only ones running shows. We need a step-up with in the HHSA community.

Sally White has offered to prepare the results for USEF after the English shows so the workload is greatly decreased for the secretary. We will be happy to help who ever takes on the task of manager and secretary. We are paying managers \$200 per show and secretaries \$100 per show.

## We also need volunteers for our May 15 -16 English and Western combined show.

Please get in touch with Tammy 2 754-2775 if you can help with the Western show and with Terrie Tatum 694-4013 (w) or 236-2138 (H) if you can help with the English show.

We have some wonderful judges for this year. Let's all pull together to make it possible to run the events without having just the same few people do all the work.

A large **mahalo** goes out to all those who constantly help out. We could not do any of this without you.

Much aloha

Dena Fitzgerald and Helena Barahal

HHSA Vice Presidents
